Dear College Counselor, GSA/Diversity Club Advisor, or Community Leader:

eQuality Scholarship Collaborative is proud to announce its 28th annual scholarship program. In 2016, eQuality awarded 23 scholarships totaling \$138,000 to graduating high school students, as well as scholarships for nursing and medical students. For 2017, we expect to award 16 or more 6,000 scholarships.

Applicants for the **high school** scholarships must:

- ◆ be a resident of northern or central California;
- ◆ have completed or complete high school or equivalent between 1 July 2012 and 30 June 2017; and
- ◆ plan to attend or have begun attending an accredited post-secondary institution (college, university, or vocational/trade school) for the first time in 2017.

The eligibility requirements are somewhat different for the **community college transfer, nursing, and medical** scholarships. Please visit www.equalityscholarship.org for details.

We ask your assistance in publicizing the availability of the scholarships by prominently posting the enclosed flyer. We also encourage you to list this scholarship in your newspaper and web site. Note that we are using an on-line application system again this year. Applications must be completed no later than **1 February 2017**.

If you have any questions, please contact the scholarship committee at the address above, visit our website at www.equalityscholarship.org, or email us at info@equalityscholarship.org.

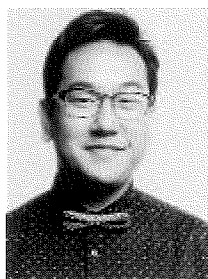

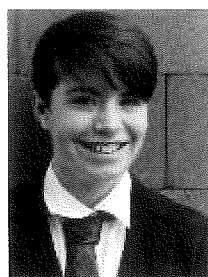

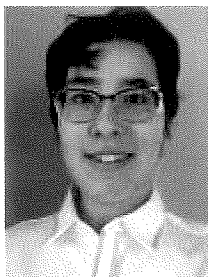

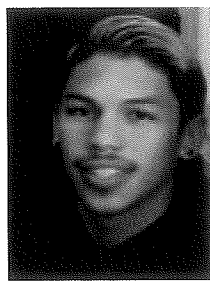

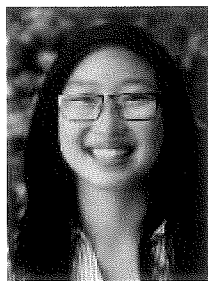

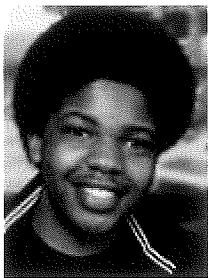

Thank you for your cooperation.

Sincerely,

Eric Hsu
