Principal's Welcome

As we prepare and plan for the 2020-21 school year during the COVID-19 pandemic, we are committed to ensuring equitable access to a quality education for all students. Due to the increasing cases COVID-19 cases, the safety and health of our staff, students, and families are our top priority. Thus, the 2020-21 school year will begin with distance learning.

We recognize that there will continue to be changes as the situation evolves, and we will respond as needed given guidelines and restrictions issued by the Santa Clara County Public Health Department. Our goal is to get back to full-time in-person instruction as soon as possible.

Jose H. Hernandez, Principal
Monica Schneider, APED
Long B. Truong, APA

Our vision continues to be to graduate students with the skills to complete their college and career goals. As an IB World School, our focus is on developing: communication, research, self-management, social and thinking skills. We acknowledge the challenges of distance learning.

Our doors are open for your virtual participation and input in all matters regarding your child's education. Please look at the important dates attached to participate in virtual meetings during this time. We look forward to seeing you on campus again when in-person activities are allowed.

Jose H. Hernandez, Principal

International Baccalaureate (IB) World School

IB Diploma Program

We are the only IB World School in the East Side Union High School District, and one of three Santa Clara County. We have offered the IB Diploma Program since 2002. This program begins in the 11th grade and requires students to take six IB classes. The IB Diploma Program has earned a reputation for rigorous assessments, giving IB diploma holders access to the world's top universities. Our IB diploma candidates have gone on to study at Stanford, Harvard, Yale, MIT, Cal Tech, Columbia, and other prestigious universities.

Middle Years Program (MYP)

We have recently been approved to offer the IB Middle Years Program to 9th and 10th grade students. The MYP framework challenges students to make practical connections between their studies and the real world. The program's goal is to develop active learners and internationally minded young people. The program empowers students to inquire into a wide range of issues and ideas of significance locally, nationally and globally.

IB Approaches to Learning (ATL)

Approaches to learning (ATL) are skills designed to allow students to "learn how to learn."

Social Skills

- Developing positive interpersonal relationships and collaboration skills
- Developing social-emotional intelligence

Research Skills

- Information—literacy skills
- Media—literacy skills
- Ethical use of media/information

Thinking Skills

- Critical—thinking skills
- Creative—thinking skills
- Transferable skills
- Reflection/metacognitive skills

Communication Skills

- Exchange—information skills
- Literacy skills

Self-Management Skills

- Organization skills
- States of mind

Electronic Devices and Cell Phone Policy

In accordance with Education Code 48901.5, personal electronic devices on all East Side Union High School District school campus are subject to regulation from the first warning bell through the final bell of the school day. These personal electronic signal devices include, but are not limited to pagers, beepers, and cellular/digital telephones.

Personal electronic devices may be carried by students, but must be kept out of sight, i.e., in a purse or backpack, and must be turned off. Devices left on that disturb the educational setting are subject to confiscation, and the student subject to discipline.

Students may not utilize personal communication devices on campus during any part of the school day. This includes concurrent classes, after-school detention, Saturday School, brunch and lunch.

Violations of this policy will result in the device being confiscated. The device will be returned only to a parent/guardian at a time designated by the AF. If confiscated by site staff, the device must be accounted for until it is returned to the parent/guardian.

Any violations of this policy are subject to discipline in accordance with the progressive discipline for "Defiance" on the District Discipline Chart.

No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician or surgeon to be essential for the student's health, and the use of which, is limited to health-related purposes. The student must have the doctor's note on file with the school.
