Principal's Welcome

Jose H. Hernandez, Principal
Monica Schneider, APED
Long B. Truong, APA

Back in March 2020 we began our experience with the COVID-19 pandemic. During this time we have learned about procedures most of us had never heard of prior to COVID-19.

We recognize that there will be changes as the situation continues to evolve, and we will respond as needed based on guidelines and restrictions issued by the Santa Clara County Public Health Department.

At this time we are preparing for a return to in-person instruction as Fall 2021 begins. Please note that all county, state, and federal COVID-19 restrictions will be followed.

- All individuals must wear a mask indoors at all times.

- Limiting non-student guest as much as possible.

Our vision continues to be to graduate students with the skills to complete their college and career goals. As an IB World School, our focus is on developing: communication, research, self-management, social and thinking skills. We acknowledge the impact and challenges of COVID-19.

Our doors are open for input in all matters regarding your child's education. We look forward to seeing you on campus again at parent meetings and athletic events.

Jose H. Hernandez, Principal

*** The Falcon Way & Important Information ***

The Falcon Way(s) are school wide expectations that all Falcons demonstrate while on campus. By demonstrating the Falcon Way(s), we create a school culture that values building positive relationships and support academic achievement while continuing to grow, learn, and being our personal best.

Attendance

You matter - When you are not present or need support, we are here for you.

- ◆ **Absences:** 2 ways to report, by phone (calling attendance office before 8:30am) or in-person (signed note from parent or doctor).

- ◆ **Mental Health & Wellness:** Our Advisors, PCIS, Social Worker and SW Interns are here to help with any support you need.

Attitude

Actions Matter - The way we act and talk shows we value other's feelings.

- ◆ **Personal Responsibility:** Recognizing that every action you take is a reflection of who you are as a learner and leader; being accountable for your actions, your thoughts, and your words.

(Ex: following common dress, keeping campus clean, being on time to class.)

Academics

Learning Matters - You decide every day what your goal is, how to reach it and how to maintain focus for your goal.

Student Common Dress Code

- ◆ Common Dress: Only four colors can be worn at school: Black, Gray, Yellow or White. **Bottoms** must be black only.
- ◆ Dark blue jeans are **NOT** black.
- ◆ Masks must be worn while indoors.=

Student Drop-off & Parking Policy

- ◆ In order to ensure the safety of our students, **please drop-off students in the parking lots.**
- ◆ Students who choose to drive to school must park in the **Senter Road** parking lot. They must register their car and display a school parking tag.

Chrome Books & Internet

All students will need a need digital device. Chromebook can be picked up in the bookroom.

Lunch

All students will be provided lunches. Students should complete a lunch form.

Electronic Devices and Cell Phone Policy

In accordance with Education Code 48901.5, personal electronic signaling devices on all East Side Union High School District school campuses are subject to regulation from the first warning bell through the final bell of the school day. These personal electronic signal devices include, but are not limited to laptops and cellular/mobile telephones.

Personal electronic devices may be carried by students, but must be kept out of sight, i.e., in a purse or backpack, and must be turned off. Devices left on that disturb the educational setting are subject to confiscation, and the student subject to discipline.

Students may not utilize personal communication devices on campus during any part of the school day. This includes concurrent classes, after-school detention, Saturday School, brunch and lunch.

Violations of this policy will result in the device being confiscated, and returned only to a parent/guardian at a time designated by the APA. Once confiscated by site staff, the device must be accounted for until it is returned to the parent/guardian.

Any violations of this policy are subject to discipline in accordance with the progressive discipline for "Defiance" on the District Discipline Chart.

No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician or surgeon to be essential for the student's health, and the use of which, is limited to health-related purposes. The student must have the doctor's note on file with the school.

(cf. 5144 - Discipline)
